ORDER

Having conducted two initial management conferences respecting the cases in Multidistrict Litigation No. 1552 ("MDL-1552") and formalized a leadership structure for those actions, the Court believes the adoption of a more circumscribed service list at this point in time will further the efficient and effective management of pretrial matters in this litigation. Accordingly, the Court hereby **ADOPTS** the Revised Attorney Service List for MDL-1552 which accompanies this Order (see Attachment A). The Revised Attorney Service List includes one attorney for each group of Defendants and those attorneys who have been or may potentially be designated as Lead Plaintiffs' Counsel in respect to the various subsets of actions included in MDL-1552. This Revised Attorney Service List replaces and supersedes all previous service lists utilized by the parties or the Court and all future filings relating to any or all of the actions comprising MDL-1552 shall be served consistent therewith. Service shall be deemed complete on all Plaintiffs and all Defendants when executed on all parties appearing on the Revised Service List.

The Clerk's Office is hereby **DIRECTED** to serve all future Orders entered by the Court in any or all of the actions comprising MDL-1552 upon those individuals appearing on the Revised Attorney Service List, and those individuals alone. If in the course of the proceedings the Court

determines changes to the Revised Attorney Service List are necessary, the Court will announce such changes in an Order. The Clerk's Office is additionally **DIRECTED** to maintain an updated and current version of the Revised Attorney Service List on the Court's website at all times, which shall be accessible to the parties at http://www.tned.uscourts.gov/cases/MDL/unum_provident.htm. Lead Counsel may request the Court designate another attorney or firm to receive service, but only one attorney and/or firm from each group of Plaintiffs or Defendants shall appear on the Revised Attorney Service List.

The Court reminds Lead Counsel in the various cases of the duties and responsibilities imposed upon them in the Court's two management orders. Specifically, Lead Counsel is required to distribute to all Plaintiffs' counsel copies of notices, orders, and decisions of the Court as necessary and maintain a complete file of all pleadings, motions, briefs, discovery requests, notices, orders, and decisions and make such file available for inspection by constituent Plaintiffs' counsel at reasonable hours. *See* MDL Case No. 1:03-md-1552, First Management Order, at 9 (December 22, 2003); MDL Case No. 1:03-md-1552, Second Management Order, at 8 (January 21, 2004).

SO ORDERED.
