

Application for Grant Funding from Bench and Bar Fund

The Court maintains a Bench and Bar Fund comprised of the *pro hac vice* admission fee and a portion of the attorney admission fee. The Fund may be used to provide grants to law-related educational or charitable organizations for purposes that advance the administration of justice in the courts and generally enhance the relationship between the Court, its practitioners, and the public, and for which appropriated funds are not available.

All requests for grant funding in the amount of \$500 and above are to be submitted on the attached form. On review of the application, the Chief Judge or Court may require additional information such as: mission statement or similar statement of purpose; confirmation of § 501(c)(3) or similar status; statement of principal funding sources; and organization's most recent financial report.

Please note that forms must be received no less than three (3) months prior to the scheduled event unless, for good cause shown, the time limit should be shortened. Ordinarily, applications received after the event has occurred will not be considered. Past Court funding of projects or programs does not guarantee that future applications will be approved or that equivalent funds will be available.
