

United States District Court, Eastern District of Tennessee and
Federal Bar Association, Chattanooga Chapter *present*

ECF Forum 2009

November 12, 2009
Chattanooga Convention Center

This educational forum is designed to provide ECF users with the latest information on electronic filing and to create an open dialogue between the Court and ECF users to assist in making electronic filing work better for everyone. There will be presentations by the judges and clerk's office staff as well as opportunities for individual discussions with court staff.

Agenda
