SUPERVISED RELEASE)

STANDING ORDER

The following special conditions may be included as appropriate when terms of supervised release or probation are imposed by this Court for a defendant who: (1) is convicted of a sex offense as defined under the Sex Offender Registration and Notification Act (SORNA); or (2) is otherwise required to register with any local, state, or federal sex offender registry; or (3) has a history that may otherwise justify the need for additional conditions. Within those conditions requiring a defendant to obtain approval by the probation officer for certain actions, the Court retains the ultimate authority to grant the approval requested, along with the right to review the probation officer's decision upon the defendant's written request.

- (1) The defendant shall participate in a program of sex offender mental health treatment at his/her own expense, as approved by the probation officer, until such time as he/she is discharged from treatment by the provider and as approved by the probation officer. The defendant shall comply with the policies and procedures of the treatment program. The defendant shall waive all rights to confidentiality regarding sex offender mental health treatment in order to allow release of information to the United States Probation Officer, and to authorize open communication between the probation officer and the treatment providers.¹
- (2) The defendant shall have no direct or third-party contact, by any means available to him/her, with any victim(s) of a sex offense committed by the defendant.
- (3) Other than incidental contact, which is defined as contact occurring merely by chance or without intention or calculation, the defendant shall not associate and/or be alone with children under 18 years of age, nor shall he/she be at any residence where children under the age of 18 are residing, without the prior written approval of the probation officer. If

- (4) The defendant shall not visit, frequent, or linger about any place that is primarily associated with children under the age of 18 or at which children under the age of 18 normally congregate without the prior written approval of the probation officer.
- (5) The defendant shall not associate with anyone, under any circumstance, that he/she knows to be a sex offender, someone who engages in sexual activity with children under 18 years of age, or someone who condones and/or supports the sexual abuse/exploitation of children under 18 years of age (e.g., NAMBLA, BOYCHAT, Boylover Message Board), except while participating in sex offender mental health treatment or for employment purposes as approved by the probation officer.
- (6) The defendant shall not possess any printed photographs, paintings, recorded material, or electronically produced material designed to produce arousal of sexual interest in children under 18 years of age. Nor shall he/she visit, frequent, or linger about any place where material designed to produce arousal of sexual interest in children is available to him/her.
- (7) The defendant shall notify the probation officer of any/all location(s) where he/she receives mail. The defendant shall not obtain a new mailing address, post office box, or use the facility of any business for the delivery and receipt of mail or any other correspondence without approval of the probation officer.
- (8) The defendant shall submit to a psychosexual assessment at his/her own expense, as directed by the probation officer.
- (9) The defendant shall submit to polygraph testing at his/her own expense, as directed by the probation officer, in order to determine if he/she is in compliance with the conditions of supervision, or to facilitate sex offender treatment. The defendant shall be truthful during polygraph evaluations.
- (10) All residences and employment shall be approved in advance by the probation officer. The defendant shall not participate in any volunteer

activities requiring unsupervised contact with children under the age of 18, without the approval of the probation officer. The defendant shall not engage in an activity that involves being in a position of trust or authority over any child or children under the age of 18.

- (11) The defendant shall submit his/her person, residence, vehicle, or any area over which he/she exercises control to a search conducted by a probation officer with reasonable suspicion concerning a violation of a condition of supervised release or unlawful conduct by the defendant, at any time without prior notice or search warrant, in order to determine if the defendant is in compliance with the conditions of supervision. The defendant shall warn anyone with whom he/she resides that the premises may be subject to searches pursuant to this condition.
- (12) The defendant shall not possess or use a computer or any other electronic device with access to the Internet or any other on-line computer service at any location (including employment), without the approval of the probation officer.
- (13) The defendant shall not possess or use any data encryption, data elimination, or access-protection technique, device, or program designed to conceal, eliminate, or corrupt material that is illegal, designed to produce a sexual interest in children under 18 years of age, or prohibited by the probation officer.
